"...HATE TO SEE ANOTHER BIT OF HISTORY GONE."

1953 FEADSHIP 82' – NOTORIOUS – SHIPPED TO THE U.S.

1953 FEADSHIP 82'. Joe Cornelius, a marina manager in Knoxville, TN, contacted Bone Yard Boats in March about the 1953 FEADSHIP 82' docked at his marina and in need of a new home. According to Joe, the MY NOTORIOUS has had 3 owners over the past 10 years, including one bank. The last owner turned her over to the marina board of directors, who instructed Joe to get it out of the marina. "I just have a heart for the boat and hate to see another bit of history gone. I hate to see the boat destroyed for lack of interest. Any help is appreciated." With those words from Joe and a price of free-to-a-good-home, the successful search for NOTORIOUS' next owner was kicked off. (cont. on page 12.)
